HIS HONOUR the Lieutenant-Governor, by Order in Council dated 18th November, 1915, has been pleased to declare that the Rules and Regulations of the 14th of July, 1915, with reference to the estates of German, Austro-Hungarian, and Turkish subjects, and the distribution of any estates amongst such subjects or residents in such countries shall apply to the subjects of the Kingdom of Bulgaria.

HENRY ESSON YOUNG,
Clerk, Executive Council.

AT THE EXECUTIVE COUNCIL CHAMBER.
VICTORIA, B.C., 14th July, 1915.

PRESENT:

HIS HONOUR THE LIEUTENANT-
GOVERNOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be

distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, or Turkish subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, or Turkish subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subjects, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, or Turkish subjects resident in this Province at the commencement of the war and during the war.

And that the Order in Council herein, No. 553, dated the 15th May, 1915, be rescinded.

Friday, the 24th day of November, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th November, 1916, from the Minister of the Interior, submitting that Mr. J. C. Shields, of Kamloops, British Columbia, has applied to the Department of the Interior to purchase under irrigation conditions the lands enumerated in the accompanying schedule, containing approximately an area of 1,354.24 acres.

The Minister states that inspections as to the quality of the lands, the engineering features, and the feasibility of the project have been made by officers of the Department of the Interior, who have reported that the lands are useless for agriculture without irrigation, that they can be made productive with the aid of water by artificial means, and that from an engineering standpoint the project is practicable. The lands are vacant and available for the purpose.

The Minister, therefore, recommends that the lands enumerated in the accompanying schedule be sold to the applicant on the following terms and conditions:—

(a.) The lands sold to be brought under cultivation by irrigation:

(b.) The purchase price to be at the rate of five dollars (\$5) per acre, subject to a deduction of the cost of the irrigation-works up to an amount not exceeding two dollars (\$2) per acre, and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar (\$1) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5 per cent. per annum:

(c.) The necessary water rights to be secured from the Provincial Government of British Columbia; no work to be done on the land until preliminary water rights are secured from the Province:

(d.) The work to be commenced within one year from the date of the authorization by Order in

Council of the sale, and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with the water rights, in which case the Provincial dates may be accepted if approved by the Minister of the Interior:

(e.) Examination to be made by engineers of the Department of the Interior on completion of the work:

(f.) Patent to issue, when conditions completed, for those parcels the irrigable portions of which have been brought under cultivation by irrigation:

(g.) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.

(h.) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendations and submit the same for approval.
